

## PRESS RELEASE

August 27th, 2007

Mr. T.W. (Terry) Gomke, President & C.E.O., is pleased to announce that Gibson and its affiliates recently received the following awards related to the Health, Safety and Environment of their employees:

- ❖ ***Work Safe Alberta 2006 Best Safety Performer Award*** for exceptional performance in workplace health and safety – awarded to **both Gibson Energy and Canwest Propane** by Iris Evans, Minister of Employment, Immigration and Industry for the Province of Alberta.
- ❖ ***“Leader” status in the EnviroVista, Environmental Leadership Program*** - awarded to **Gibson’s “Bulk Petroleum Storage & Transfer Facility” in Hardisty** by Rob Renner, Minister for Alberta Environment.

These awards are in good company, added to the following, which Gibson consistently receives year after year:

- ❖ At the **Moose Jaw Refinery - CPR - CP’s *Chemical Shipper Safety Award*** - Demonstrating Excellence in Transportation Safety 2006.
- ❖ At the **Moose Jaw Refinery and Edmonton Terminal - *CNR Safe Handling*** “Partners in Responsible Care” 2006 Gold Award.

Mr. Gomke - “On behalf of Gibson management, THANK YOU, to each and every employee that contributed towards this recognition!

Although we pride ourselves corporately on infusing our culture with a “Safety First” mentality, it’s ultimately up to the individual workers, supervisors and managers to make it happen – Congratulations across the board and keep up the good work!”
